UNDERSTAND CONSPIRACY THEORIES - YOU ARE PART OF IT

THE ULTIMATE CONSPIRACY

**“ IF YOU ARE GOING TO BE INVOLVED
WITH PHENOMENOLOGY, YOU BETTER
UNDERSTAND CONSPIRACY THEORY:**

YOU WILL BECOME PART OF IT”

**WE CAN NOW ADD NON-LETHAL WEAPONS
TO THE CONSPIRACIES**

WHO ARE **THEY???**

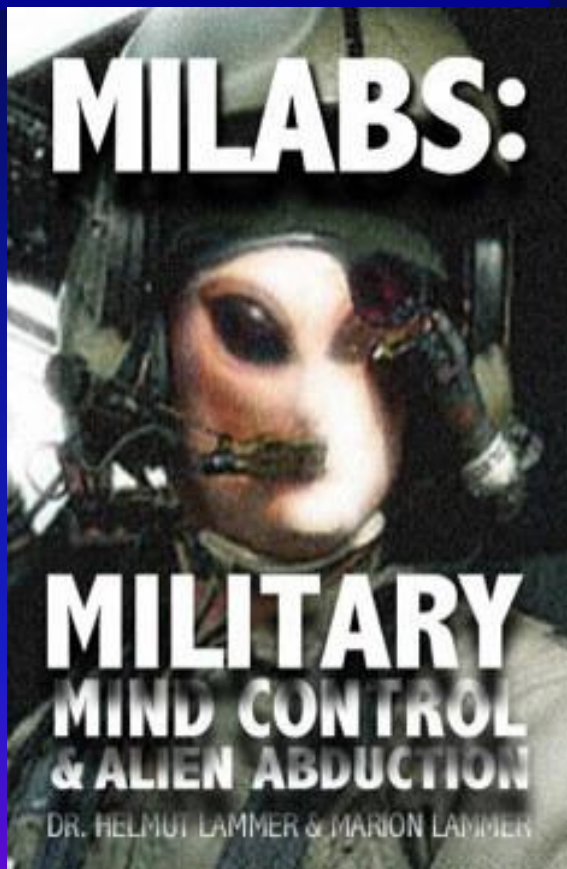

JUST ABOUT EVERYBODY

MILITARY ABDUCTIONS (MILABS)

(There is a high correlation between MILABS
& NLW conspiracy theories)

“I have seen you on a UFO”

Very angry lady I had never
seen before addressing me!

**ALIEN ABDUCTION ESTIMATES RANGE FROM
THOUSANDS TO MILLIONS**

ARGUMENTS AGAINST MILABS

- **Technology was not available in years past**
- **If available, it would have been used for national security**
- **None of the self-appointed MILAB victims are “special”**
- **Manpower requirements would be intensive**
- **There is no reasonable explanation for “WHY?”**
- **Risks vs. benefits to organizations is unfathomable**
- **No physical evidence to support claims**

**MILABS are illogical & technologically & evidentiary unsound
AND
A plausible explanation exists!**

REASONS TO BE CONCERNED ABOUT MILABS

- **Lammer is intelligent, well-educated and an astrophysicist**
- **Conclusions are drawn on lack of veridical evidence**
- **Absence of critical thinking**
- **Psychopathology is displayed in many “normal” people**
- **There is a large number of disenfranchised people**
- **Rapid dissemination and acceptance of misinformation**

PARANOIA PERSONALITY DISORDER

- SUSPICIOUSNESS
- HIDDEN MOTIVES
- SOCIAL ISOLATION
- PROJECTIVE THINKING
- FEAR OF LOSS OF FREEDOM
- GRANDIOSITY
- LACK OF SENSE OF HUMOR

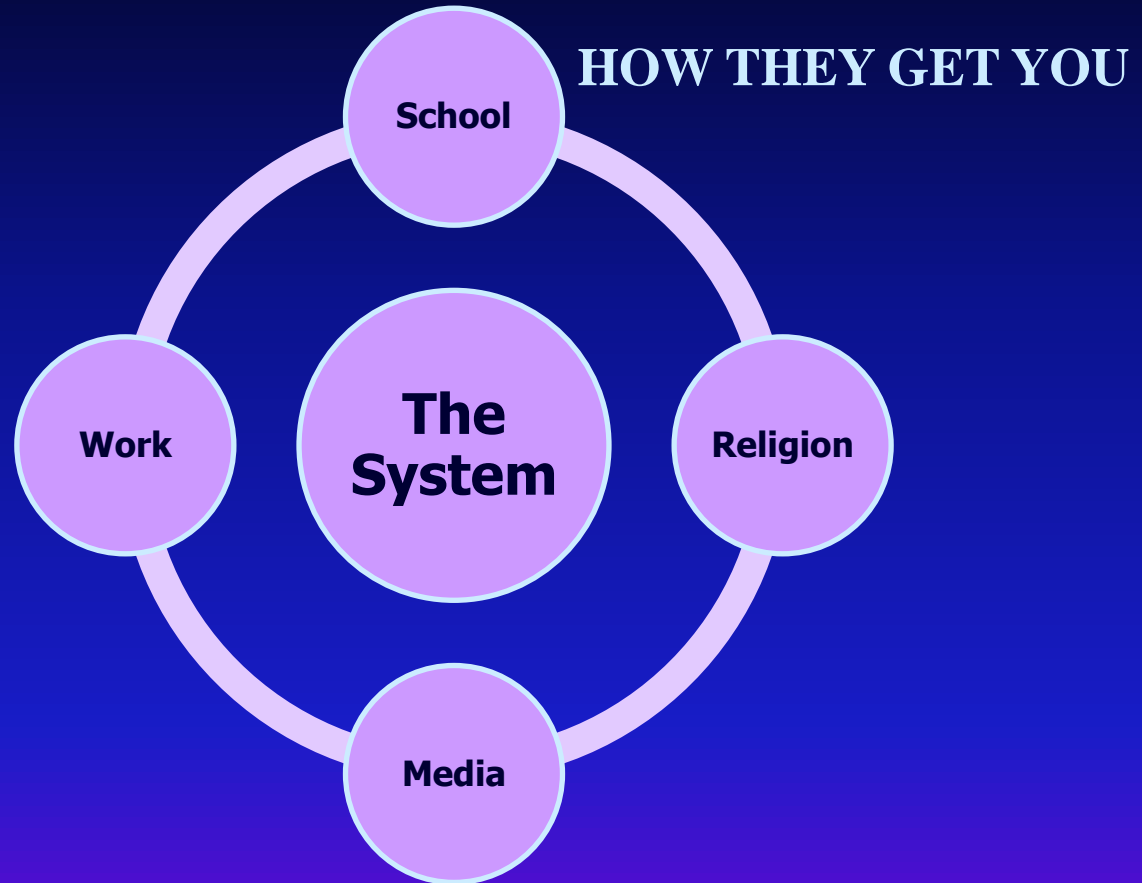

**HOW BIG IS THE PROBLEM?
MINIMUM EST IS 0.5% OF GENERAL POPULATION
FOR THE U.S. THAT IS 1,500,000 (1.5M)**

**BUT: Just because you're paranoid
doesn't mean they're not out to get you**

EXISTENCE OF TECHNOLOGIES DOES NOT CONSTITUTE USE

**Tortured in America

TIMES LINES OFFER A SIGNIFICANT PROBLEM

AIR LOOM MIND CONTROL DEVICE

Designed by James Matthews:

CIRCA 1810

IF SUCH A CAPABILITY EXISTED

MOST PROBABLE MIND CONTROL TARGETS

THIS IS WHEN PEOPLE CARE DEEPLY

If mass effects mind control existed, the outcome would have been different

THE BOTTOM LINE

- NLW PROPONENTS DO **NOT** HAVE A MIND CONTROL AGENDA
- UNSUBSTANTIATED CONSPIRACY THEORIES HAVE BECOME ATTACHED
- EXISTENCE OF NEW TECHNOLOGIES DOES NOT CONSTITUTE A PLOT
- THERE ARE NONTRIVIAL NUMBERS OF PERSONS WHO BELIEVE THEY HAVE BEEN MENTALLY TARGETED BY SOME EXTERNAL ORGANIZATION (**THEY**)
- THIS IS CONSISTENT WITH KNOWN MEDICAL DATA
- IF SUCH CAPABILITIES EXISTED, THEY WOULD BE PUT TO BETTER USE
